Salman Sowdagar

'I'nside your heart is where I want to live,

'L'oving you till my last breath,

'O'r even long after that.

'V'ery much I pray that in...

'E'ternity we become one.

'Y'es, God wants us to be together,

'O'r else why in this big...

'U'niverse would I fall only for you?

'W'eather will keep changing but...

'I' will forever remain only yours,

'L'oving you unconditionally and...

'L'eaving no stone unturned to make you happy.

'Y'our every word will become an...

'O'rder upon me that will be...

'U'rgently taken into consideration.

'M'y life without you will be like...

'A' journey with no destination.

'R'ising above everything else, wherein the only...

'R'eality will be giving and receiving love,

'Y'ou and I can make a heaven.

'M'ay I have the pleasure of...

'E'mbracing your life with mine?
