

NOSTALGIC MOMENT FEEL

ME , FOR THAT YUMMY SUTTY HIM !

The wonderful are his hair set,

Enter in , walking through the red carpet,

Eyes tucked with those dark goggles , gives him that classy look ,

Wearing that black suit with a red tie ,

Standing here with hands in pocket of his formal pant ,

Me taking an attention as , no one standing there took ,

Wish to speak to him , well ! That i can't .

Though getting attracted to him , telling my self a lie ,

Because my feelings for him are really going very high .

The last thing that makes this elucidation about him accomplish is , smile that really force me , for him , to die
 , of his .

I tell my self , thats it now ! All this happenning , i cannot bare,

Me gazing him in the picture as if he is really right there .
